TRANSPORTATION SERVICES, ODENTON, MD.—BOWIE, MD.

At a Session of the Interstate Commerce Commission, Division 3, held at its office in Washington, D. C., on the 25th day of March, A. D. 1936.

It appearing, That, because of abandonment of operation over the route of the Washington, Baltimore, and Annapolis Electric Railway, the service to and from the Southern Maryland Agricultural Association Race Track, located near Bowie, Md., has been discontinued, and

It further appearing, That the Philadelphia, Baltimore and Washington Railroad Company and the Pennsylvania Railroad Company, lessee, have filed an application with the Commission under Finance Docket No. 11133 for authority under section 1 (18) and section 5 (4) of the Interstate Commerce Act, as amended, permitting the acquisition by the former and operation by the latter of that portion of the former Washington, Baltimore and Annapolis Electric Railway extending from Odenton to the Southern Maryland Agricultural Association Race Track near Bowie, a distance of 6.4 miles, all in Anne Arundel and Prince Georges Counties, Md., and

It further appearing, That there is urgent need for railroad service to and from said race track in order properly to meet transportation requirements in connection with the spring racing meet which begins on April 1 and extends for a period of 10 consecutive week days, and

It further appearing, That the Pennsylvania Railroad Company has filed application with the Commission that it be authorized to operate both passenger and freight service over this track between Odenton and the race track to insure proper railroad service and to meet transportation requirements in connection with the spring racing meet, and

It further appearing, That the president of the Southern Maryland Agricultural Association, by letter, joins in the re-

quest that the application of the Pennsylvania Railroad be granted,

And it further appearing, That, because of lack of adequate transportation facilities to meet the requirements of the public during the spring racing meet, an emergency exists which requires the immediate action of the Commission:

It is therefore ordered, (1) That the Pennsylvania Railroad Company be, and it is hereby, authorized and directed, effective March 26, 1936, to furnish adequate transportation service over the line of what was formerly the Washington, Baltimore and Annapolis Electric Railway between Odenton, Md., and the Southern Maryland Agricultural Association Race Track near Bowie, Md., in order to meet the needs for railroad service to and from the said race track in connection with the spring racing meet, without prejudice to any findings or conclusions the Commission may reach on the pending application filed under Finance Docket No. 11133.

It is further ordered, That a copy of this order be served upon the Pennsylvania Railroad Company, and that notice of this order be given to the general public by depositing a copy of the order in the office of the secretary of the Commission in Washington, D. C.

It further provides that instructors and members of duly organized cadet corps at certain institutions of learning and under certain conditions may wear the uniform duly prescribed by the authorities of such institutions.

This Act further provides that the uniform worn by members of the above military societies or by members and instructors of the cadet corps mentioned therein shall include some distinctive mark or insignia to be prescribed by the Secretary of War or the Secretary of the Navy to distinguish such uniforms from the uniforms of the Army, Navy, or Marine Corps.

PHOTOGRAPHS OF NAVAL SUBJECTS

In order to permit the prompt release and publication of such photographs and moving pictures as will be beneficial alike to the public and to the Navy, while at the same time protecting all subjects which are of confidential nature, or which it is to the interest of the Navy to restrict for official use only, the following instructions are issued as provided in Article 124, United States Navy Regulations, pursuant to Section 1547 of the Revised Statutes.

Subject to the following instructions, commanding officers of naval vessels and commandants of shore stations shall have full cognizance of the making of photographs within their naval jurisdiction, whether by naval personnel or by civilians. The making of all photographs within naval jurisdiction shall be supervised by those in authority at the place where the photographs are taken, to preclude intentional or unintentional violation of this order, particularly with regard to the photographing of prohibited material or operations.

To identify photographers of United States citizenship and of good standing who desire to make photographs of naval subjects for public exhibition, annual accredited photographer's authorization cards will be issued by the commandants of naval districts to such persons residing or based within their respective districts. Card for photographers residing in or based in the immediate vicinity of Washington will be handled by the Chief of Naval Operations.
